The Assistant Commissioner for Patents  
Application Processing Division  
Customer Correction Branch  
Washington, D.C. 20231

Sir:

On the Filing Receipt that we have received for the above-referenced application the last name of the sixth inventor is misspelled as "Oin". The correct spelling is "Qin", as indicated on page 1 of the Division-Continuation Program Application Under 37 CFR 1.60 Transmittal Form that was filed with this case.

A copy of the incorrect Filing Receipt is enclosed for the convenience of the Patent Office. On this Filing Receipt, Applicants' Attorney has corrected the spelling of Shixin Qin's last name. Also enclosed is a copy of page 1 of the Transmittal Form filed with this case, clearly indicating the correct spelling of inventor Qin's last name.

Please revise the Patent Office records to record the correct spelling of inventor Qin's last name and issue a Corrected Filing Receipt showing that this correction has been made.

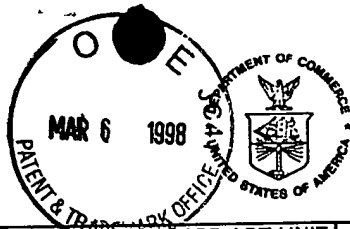

Respectfully submitted,
